

MAKE-YOUR-OWN LUMINARIES!

"Twinkle,
twinkle,
winter night..."

...Everywhere
you look
there's light!"

1. Cut a piece of cardstock paper in half, the long way
2. Use a hole punch to make lots of holes
3. Roll it into a tube and tape or staple it
4. If you want, you can add stickers or designs too
5. Put a battery-operated candle inside and watch it

TWINKLE!
